

Translation of Blair's "Danos un bello hogar." I make no attempt to capture the poetry of the Spanish.

Give us a Lovely Home,
Where the Bible faithfully guides us;
Where your love gives us comfort;
Where everyone has faith in you.
Give us a Lovely Home.

Give us a Lovely Home.
Where the mother is strong and loyal,
and in her example can be seen
how your loves reigns everywhere.
Give us a Lovely Home.

Give us a Lovely Home.
Where the father with devotion,
knows how to show your compassion;
Where all live in communion.
Give us a Lovely Home.

Give us a Lovely Home.
Where the children with conviction,
follow Christ from the heart,
where all breath your blessings.
